From the desk of the Pastor: Naturally, vision means sight. A person with no vision is blind. A blind person walking down the road unassisted will likely have many stumbles. They cannot prepare, or focus on any of the obstacles that might be on the way. The same is true for the Saints of God. In our walk with Christ we need to have a vision; an understanding that we have a part to play in the overall purpose and plan of God. (Phil 3:12) A lack of vision or a purpose will result in an unprepared and non-focused walk. The Lord has placed a shepherd over this house – He has given him a vision ~ GROWTH – Growth, Revival, Obedience, Work, Tithing, Healing - can you catch the vision??
