THE PASTOR SPEAKS

I am highly favored of God to be privileged to serve so great a people in ministry at New Covenant Ministries COGIC.

It is awesome to think that God in His infinite wisdom would make choice of me for such a task. We have accepted the challenge to change our community through the powerful message of Jesus Christ. We are not frigidly formal nor foolishly fanatical but we are earnestly evangelical and purely Pentecostal.

The vision is clear. We know where we are going and together we can make it happen. Joshua 1:6 admonishes, “only be strong and of good courage.” Therefore, we have united as a chain and reinforced the weakest link. Through phenomenal growth, flourishing ministries and continual outreach. It is coming to pass. You are invited to come and grow with us.

May the Glory of God be yours

The Women of Destiny Women’s Workshop brought the women together for an afternoon of teaching and fellowship.

The workshop topics were topics that are relevant for the times.

With all of the responsibilities that women of today have, we cannot be without prayer, submission and commitment.

We were even joined by our very own District Missionary, Missionary Adlee Badger. Our special guest for the afternoon was First Lady Bettye Green from New Bern, NC

Here is a brief synopsis of our covered topics by our dynamic speakers:

**Women in Ministry**
(Evangelist D. Smith) There is plenty of work to be done in our local ministries as well as outside of the church walls. We have to be willing workers lead by the Spirit of God.

**Women in the Home**
(Missionary B. Barnes) God is calling for Women of Destiny in the Home. The call is very compelling. It is clear, concise and exact. And, it will cause women to want to make a difference in the Home. This will make for a stronger relationship with the family in the home.

**Women on the Job**
(Missionary A. Daniels) Why are we as Christians placed in our different professions or on our jobs? We know that we need money to pay bills, clothe children and make ends meet but because we know the Lord Jesus Christ, we are on our jobs for a greater reason. We have a greater responsibility than just to collect a pay check. We are Representatives of Christ.

**Women in the Community**
(Missionary C. Neely) There is much work for Women of Destiny in the community. We have to get back to being concerned about the needy in our community. There are families that are hurting and need to hear a word that will empower them.

**Single and in Charge – Raising the Children Alone**
(Sister C. Burley) As singles, we face many challenges that are not common to the married woman but whatever the challenge we need to know what God says for us. God is not a respecter of age, sex, or position. He is able to be all sufficient for single women as well as married women.

**WELL DONE!**

SPECIAL GUEST APPEARANCE BY GOD’S YOUNG PEOPLE

GYP performed as a special guest of The University of North Carolina (Chapel Hill) Gospel Choir during a concert on March 1, 2003. Other guests included Glad Tidings Adult Choir of Glad Tidings Church in Morehead City, NC.
Outreach ministry

“Go ye therefore and teach………
Teaching them to observe all things whatsoever I have commanded you and lo, I am with you always even unto the end of the world. Amen

By divine authority, St. Matt. 28:19-20, the church ministry is commanded to reach out, teach and baptize them unto salvation. We are about our father’s business. The thrust of our ministry is….

To build them up,
To send them out,
To bring them in.

Our mission is to move with compassion toward those who are untouched or have not heard the Gospel. St Luke 16:15, Go ye into all the world….St. Like 14:23, Go out into the highways and hedges and compel them to come in, so that my house may be filled.”

Save – The - Seed
“And I will put enmity between thee and the woman and between thy seed and her seed.” Gen 3:15a

Children are a vital part of the ministry. A child saved is a soul saved. Satan comes to steal, kill and destroy but the blood of Jesus gives life more abundantly.

We are committed to nurturing a positive Christian attitude in our youth so that future generations are not lost.

Our Church

The Church of God in Christ, Inc was founded in 1907 by the Late Bishop Charles Harrison Mason. His successors were the Late Bishop J. O. Patterson and Bishop L. H. Ford. The present presiding Bishop of the greatest domination of Pentecostals in the world is Bishop G. E. Patterson.

New Covenant Ministries COGIC is one of over 10,000 Pentecostal Churches comprising the COGIC, worldwide, whose denominational headquarters is in Memphis, TN. New Covenant Ministries is the 2nd oldest COGIC church in Jacksonville. Our State overseer is Bishop L. J. Woolard, Prelate of the Greater North Carolina Jurisdiction. We are a full gospel church, which believes in the veracity of both the old and new testaments. We are a Pentecostal-Holiness church; therefore, we trace our roots to the Christian church which originated in the First century A.D. according to the book of Acts 2:4.

New Covenant Ministry was founded in 1986 by Elder V. Robinson III. The first service was in the home of Pastor then located aboard Camp Lejeune, NC, from 7 members in the dining room – to the first location of 228 New Bridge Street – to our present location at 1611 Murrill Hill Road. Pastor Robinson still stands on the word of God and believes holiness is right. New Covenant Ministries is committed to meeting the total needs of God’s people. We are here for you!

The Statement of Faith

We believe the bible to be the inspired and only infallible written Word of God.

We believe there is only ONE GOD, externally existent in Three Persons: God the Father, God the Son and God the Holy Spirit.

We believe in the Blessed Hope, which is the rapture of the Church of God, which is in Christ, at His return.

We believe that the only means of being cleansed from sin is through repentance, faith in the precious Blood of Jesus Christ and baptism in water.

We believe that regeneration by the Holy Ghost is absolutely essential for personal salvation.

We believe that the redemptive work of Christ on the cross provides healing for the human body in answer to believing prayer.

We believe that the baptism in the Holy Ghost, according to Acts 2:4 is given to believers who ask for it.

We believe in the sanctifying power of the Holy Spirit, by Whose indwelling the Christian is enabled to live a holy and separated life in this present world. Amen
The 7th Annual Greater Jacksonville District Conference was held at New Covenant Ministries. Each year the Conference provides an opportunity for the District to gather together and honor our leaders.

This is also an opportunity for the District to come together corporately to worship and praise the God of our salvation.

There is no more powerful force than to gather together Saints of the Most High God.

During this Conference lives were touched, bodies were healed and situations were changed by the awesome power of God.

Also added to the ranks of our District Churches was New Hope Holy Church under the leadership of Pastor James Goss and Co-Pastor Retia Parrish.

If you missed this year’s conference, you really missed a treat.

THE E-MAIL BAG

IF YOU Couldn't BEAR IT, HE WOULDN'T ALLOW IT

A man found a cocoon of a butterfly. One day a small opening appeared, he sat and watched the butterfly for several hours as it struggled to force its body through that little hole.

Then it seemed to stop making any progress. It appeared as if it had gotten as far as it could and it could go no farther.

Then the man decided to help the butterfly, so he took a pair of scissors and snipped off the remaining bit of the cocoon.

The butterfly then emerged easily. But it had a swollen body and small, shriveled wings.

The man continued to watch the butterfly because he expected that, at any moment, the wings would enlarge and expand to be able to support the body, which would contract in time.

Neither happened! In fact, the butterfly spent the rest of its life crawling around with a swollen body and shriveled wings.

It never was able to fly.

What the man in his kindness and haste did not understand was that the restricting cocoon and the struggle required for the butterfly to get through the tiny opening were God's way of forcing fluid from the body of the butterfly into its wings so that it would be ready for flight once it achieved its freedom from the cocoon.

Sometimes struggles are exactly what we need in our life. If God allowed us to go through our life without any obstacles, it would cripple us. We would not be as strong as what we could have been. And we could never fly.

--unknown

"We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed. ... Therefore, we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all."

II Corinthians 4:8, 16-17 NIV

*It is the Anointing that Makes The Difference*
A Hospitality Moment
A Visitor

Have you ever been a visitor at the home of an acquaintance? What was your reception like? Did they welcome you in? Did they make you feel good about visiting their home? Did you feel instantly feel at ease and that someone was glad that you were there?

When visiting a place for the first time, the first impression is a lasting impression. A friendly smile and a warm reception will usually make a visitor feel welcomed much more than any formal recognition.

At NCM, we want all of our visitors to feel welcome, but not to just feel welcome but to feel at home and appreciated.

It is the responsibility of each member to make visitors to our church feel welcomed and wanted. The key to a church that is warm, friendly and welcoming is that the love of Christ abounds.

Christ has a heart for souls, a heart for people. He loved people and people were instinctively drawn to the love they saw in Him.

When our church, your church, exudes the love of Christ, then all of our visitors will feel welcome and wanted.

So the next time you see a new face in the sanctuary, a stranger in the foyer. Don’t wait for the official church recognition of visitors.

You become a one person welcoming committee and extend a warm welcome to our guests and make them feel right at home.

A WORD FROM OUR FIRST LADY

This psalm has been a comfort to us for many years, and we have proven the truth of it over and over. The opening verse of this psalm have been quoted countless times and repeated in the hearts of God’s people even more frequently: “He who dwells in the shelter of the Most High will rest in the shadow of the Almighty.” There are two striking imageries for God here. One is that of a large bird sheltering its young with his wings: “He will cover you with his feathers, and under his wings you will find refuge.” A majestic eagle comes to mind as he protects his young high on a craggy mountain ledge. He is the “most high” of all living creatures. The person being protected by God is pictured as a small bird in the nest. No predator comes near the nest because the father eagle is standing in the nest next to his young so that his shadow falls over them. This is a picture of extreme tenderness on the part of God. The young are lovingly cared for and protected. The other image is that of a military fortress: “I will say of the Lord, ‘He is my refuge and my fortress, my God, in whom I trust.’” And again, “His faithfulness will be your shield and rampart.” So we have here both the tenderness and strength of God. Tenderness without strength would fail to give the kind of protection needed. But strength without tenderness would fail to be the kind of protection you would want. God’s strength provides our protection, but its motive originates in the heart of God and reminds us that we are cared for deeply.

The psalmist is inviting us to dwell in the shelter of the Most High and rest in the shadow of the Almighty. If we walk with him and trust in him then he will cover us with his wings and protect us. We can count on that! At the same time it does not mean that nothing will ever happen to us. There may be other parts to the equation of God’s plan for our lives. But we can have complete assurance that He has our best interests at heart and that He will never leave nor forsake us.

God Bless

The Blue Ribbon is the international symbol for Child Abuse Prevention. By wearing the blue ribbon you will be showing support for the more then 2.8 million reported victims of child abuse nationwide.

The Story Behind The Blue Ribbon

In the spring of 1989, Bonnie Finney, a Norfolk, Virginia grandmother took a stand against child abuse when she tied a blue ribbon to the antenna of her van. It was a signal to her community of her personal commitment to involve everyone in the battle against child abuse.

This is Bonnie’s voice:

“It’s been so long since I sat by his side in the hospital. Of course, I knew something was wrong as I sat there. I saw fear on his face, the bruises on his body and the healing cigarette burns on his hands. I only had one child. She was a beautiful little girl. She was the light of our eyes. We knew she had entered into a stormy marriage, for we brought her home several times in the five years the marriage lasted. We suspected heavy use of drugs, but in those five years, three beautiful, healthy children had been born. I loved them dearly and they loved me. The children were 16 months, three years, and four years old.

After the ordeal at the hospital, my grandson was placed in foster care for three weeks. He cried when they came to take him back to his mother. He told his foster mother, ‘My mamma don’t love me,’ and he begged to stay. I ached for his dilemma. But I was not physically able to care for him and the courts seemed to believe that home was the best place for him. I knew better and I told them so, but I was overruled. My instinct as a grandmother was not taken into account. I never saw Bubba again.

When the little girl, my 16-month-old granddaughter, was hospitalized from a severe beating -- her leg broken in four places and her hand burned from the tip of her little finger to her wrist – they decided to start looking for Bubba. We learned that he had been killed, wrapped in a sheet, stuffed in a box, and dumped into the Dismal Swamp three months earlier.

My life turned into physical and mental chaos. My efforts to understand became a plea to stop child abuse. I tied a blue ribbon on my van antenna to make people wonder. Why blue? I intend never to forget the battered, bruised bodies of my grandchildren. Blue serves as a constant reminder to me to fight for protection of our children.”

Join with Bonnie. Join with us. Please wear the blue ribbon and tell people what it’s about. Tell them that we can protect children if we work together.

WE WILL MISS YOU

Brother Roston And Sister Karon Walker

Thank you for your many years of service in this ministry.  We thank God for your willing hearts and helping hands.  As you depart for service in another part of God’s vineyard, our prayers are with you.  May God bless and keep you.
The New Covenant Ministry Nursery Kindergarten Class is excited and is on the move. In our March Unit I classes, we are learning more about how Jesus shows His love and greatness.

The early church shared Jesus’ love through stories such as Jesus forgives Zachaeus, Jesus Helps Two Blind Men, Jesus Tells About God, Jesus Walks on Water and Jesus Raises Lazarus. As we continue to grow, we will continue to learn.

Our message to all children:

“Jesus loves the little children, all the children of the world red and yellow, black and white, we are precious in His sight, Jesus loves the little children of the world.”

The Junior class is excited, energetic and eager to learn. We have had some lively discussions as you could probably tell by the raising and falling of the decibel level in the sanctuary. Please excuse our noise; it is the JOY of learning. We are looking forward to an exciting year. We are growing daily in God and in God’s word. Please continue to pray for us.

We are proud of our recent graduates who have graduated to the Junior High Class:

**Healthy Heart**

**Healthy Eating**

March is National Nutrition Month

**CELEBRATE A MONTH OF EATING HEALTHY!**

**Start Early - Breakfast is a habit to cultivate**

Research shows that breakfast-eaters consume fewer calories at lunch and dinner and are less likely to snack compulsively the rest of the day. What you have for breakfast matters.

**Think Portion Control - Size it up**

Don't feel you have to clean your plate when you're eating out. Most meals are a lot larger than the average adult requires.

- A serving of meat is about the size of a deck of cards or your palm.
- Be sure to read the food label. Many snacks are sold as single servings but actually provide two servings or more, like a bag of pretzels.
- Substitute one or two "first course" dishes for the main; you'll get a variety of tastes without huge portions.
- Water works. Drinks lots of it at the table to slow eating and hunger.

**Plan Ahead For Snacks - So your munchies are healthful**

Snacking isn't a bad habit if you're mindful of how many calories you're eating. In fact, eating frequently instead of waiting until you're ravenous might help you avoid overeating. It also keeps blood sugar levels normal and brain chemistry in balance.

**Small Changes Make a Big Difference - To your waistline**

- Knock the word "club" off your sandwich, i.e. bacon, cheese and extra bread. Go for mustard to add flavor and save calories and fat.
- Hold the butter on your movie popcorn and you'll save over 200 calories.
- An English muffin is usually half the calories of an average bagel and they're remarkably low in fat, too.
- Switch to water from sugary sodas.

**Fit Fitness in Throughout the Day — Every step you take counts**

Lifestyle activities can provide health benefits similar to a traditional gym-based workout. Get moving by parking in the furthest space, climbing the stairs instead of taking the elevator or walking or stretching while you're on the phone.

**Remember the Basics — Of good nutrition**

There are three "rules" for healthy eating. They're easy to remember and easy to follow.

- Expand the variety of foods in your diet.
- Add more fruits, vegetables and grains to the foods you already eat.
- Select more lower-fat food choices.

**Treat Yourself**

Pick a day or two in the week and have a treat that is planned, such as a dessert or entree that you especially enjoy. The extra 100-200 calories you've eaten will then be easily burned off with a 1-2 mile walk.
