Devotional Reflection

“God Is Still Writing Your Story”

It can sometimes feel like life slows down or becomes quiet in later years, but God is not finished. Every breath is purpose-filled. Every moment is an opportunity for His presence to be known.

The Bible reminds us that even in seasons of stillness, God is working. Your life continues to testify of His goodness—through your faith, your endurance, and your trust in Him.

Psalm 92:14 — “They will still bear fruit in old age, they will stay fresh and green.”

Encouragement: You still matter. Your prayers still carry power. Your life still has purpose.

“I was sick and you visited me...” — Matthew 25:36

When we serve others, we serve Christ Himself. Let us continue to carry His love into every room, every conversation, and every moment.
